

Energy and People: attitudes, behaviours and policies

Edinburgh Centre for Carbon Innovation, University of Edinburgh
High School Yards, Edinburgh, EH1 1LT

Friday, 13th December 2013, 10am to 1pm

The UK Energy Research Centre, in association with the Edinburgh Centre for Carbon Innovation, invite you to a free workshop on *Energy and People: attitudes, behaviours and policies*. The event will present recent research findings on attitudes, behaviours and governance at individual and community-levels, and consider effective policies for demand reduction and decarbonisation for Scotland and the UK.

9:30	<i>Tea and Coffee</i>	
10.00	<u>Introduction</u>	Mark Winskel Research Co-ordinator, UK Energy Research Centre
10.10	<u>Public Attitudes to UK Energy System Change: what do we know and what does it mean for policy?</u>	Nick Pidgeon Cardiff University
10.30	Local and Community Governance of Energy: evidence from <u>Scottish</u> and <u>UK-wide</u> case studies	Joanne Wade , independent consultant Nicola McEwen Edinburgh University
